

League Sized Images

This includes the sizes already given for 'A4' prints and also the new (agreed at the 2014 AGM) square format. You can either enter an A4 image or anything that fits inside this size or a square format image or anything that fits inside the following guidelines.

Square format maximum image size 25cm (10") by 25cm (10") with maximum mount size 35cm (14") x 35cm (14").

Where it specifies 'A3' this is for the larger sizes mentioned for some of the externally judged competition.

If you are not sure please ask.
